To Whom It May Concern:

Teaming partners in Engineering and Manufacturing

US Security Technologies, Inc. headquartered at 4600 Duke Street #326, Alexandria, Va 22304 with its manufacturing facilities located at 22800 Executive Drive # 100, Sterling, Virginia 20166, is a strategic alliance member and a teaming partner of End To End, Inc., located at Port Centre Parkway, Suite 102, Portsmouth, Virginia 23704.

The cooperation, alliance and teaming relationship in engineering and manufacturing covers all aspects of quality, safety and organizational efficiency, including ISO 9001:2000 Certification.

With a Registered ISO 9000 Auditor on our staff, all aspects of the Quality Management System (QMS) including executive management's support, the appropriate allocation of resources, product realization levels; and quality measurement, analysis and improvement metrics are ensured.

In addition to our ISO certification, we have successfully complied with site audits in accordance with MIL-I-45208 "Inspection System Requirements" for:

- o Northrop-Grumman
- o Lockheed-Martin
- o Harris Corporation

These methods and procedures used in the inspection of materials throughout the many phases of manufacturing and engineering processes for defense systems, merely supplements the global international quality standards imposed by the ISO 9001:2000 Quality Management System.

For any questions and clarifications of our abilities, experience and competence with regards to Safety, Quality and Efficiency in engineering and manufacturing procedures, please do not hesitate to contact us. Our certification is attached for review if required.
